## October Newsletter

### From Meet the Staff to Terry Fox to Truth and Reconciliation - September Was Stupendous!

- MRS. FIVELAND

September was a busy month full of meaningful learning and connecting! Staff enjoyed being asked questions by families to fill in the scavenger hunt for Meet the Staff night, students participated in the Rod Drebert Run (see spotlight on those placing in the top ten), students and staff logged 559 kilometres over seven days to contribute to the WRPS walk-run across Canada ending with our Terry Fox Run, and we have been completing classroom activities as we take steps towards Truth and Reconciliation. Extracurricular activities have also begun in our school with music and cheer practices beginning. If anyone has other ideas they would like to see happening in our community, I would love to hear about them!

The Lakedell School Parent Council and Lakedell School Parent Fundraising Committee is looking forward to this school year and welcome all families to get involved. We do our best to provide experiences and opportunities to all students throughout the school year. Activities such as swimming, skiing, Alien Inline, playground equipment & meals have been supplied to students at no charge over the past few years. This is only possible through volunteerism and fundraising efforts.

We encourage your family to get involved by attending a meeting, volunteering at upcoming fundraising events. There will be open positions on the parent council executive due to students moving on to grade 7. If you are interested in any of the volunteer positions or how to get involved please come and join our school council and/or fundraising committee.

A safe place for you to voice your opinions and share your ideas. Please join us.
