

FEBRUARY

newsletter

Dear Lakedell Families,

I hope that February finds you well! This month, following our theme of trust, honesty and goal-setting, we will focus on the values of Love and Understanding and the power that Random Acts of Kindness can have. Students will be helping create buttons to share with our Y.A.L. theme to spread the message that You Are Loved! Each student was given the opportunity to create a paper button sample to enter into our contest for the best design in each grade. We will create the winner's design for each grade level. Personally, I think they are all great and can't wait to see students wearing the final products!

Students from Grades 4 through 6 were excited to show their skills when participating in the WRPS Sports Council Basketball Tournaments! Grade 1/2s come back from swimming sharing what they have learned! Thank you again to all volunteers and the Lakedell Parent Fundraising Committee that allow us to have these activities free of charge!

February is shaping up to be another busy month ahead with Progress Reports published on February 5th and scheduled Parent Teacher Interviews to follow later in the day. We view you as critical partners in educating your children. If you are unavailable and would like an interview, please do reach out to classroom teachers as that can be arranged. You should also have received a survey and invitation to participate in a second opportunity for consultation about school consolidation within WRPS occurring as a drop-in format on February 13th from 5-7pm. Finally there will be a Parent Council and Fundraising Meeting on February 6th at 4pm. Babysitting is provided. Please do check our school calendar as well as there are many other student activities happening this month! Skiing, Edmonton Symphony Orchestra & Bowling for the Grades 3-6, while the Grade 1-2 class continues to hone their swimming expertise. We end the month with our assembly recognizing Pink Shirt Day.

As always, please do let me know if you have any feedback, concerns, or questions.

Sincerely,

Stacey Fiveland, Lakedell School Principal

Ms. Kandice's Korner

February has arrived!!! We have Valentine's Day, Family Day and Pink Shirt Day to celebrate this month. These days all have something in common....KINDNESS and CARING!!!

Here are 8 ways that we can show kindness and caring to our family members, friends and special people in our community. Practice them this month. See how your actions have a ripple effect and spread kindness and caring to others.

Be a team player! Work together and cheer each other on.

Do nice things for others without expecting anything in return.

Offer to help when you see someone having a hard time.

Show appreciation, let your family and friends know how much you care about them.

Help clean up, even if it's a mess you didn't make.

Give your full attention when someone is sharing their idea or story with you.

Enjoy each other, make time to spend with family and friends.

Sharing is Caring, share what you have, whether it's your knowledge, ideas, story, games or toys. We can have more fun if we share.

If you would like support from the FSL program, please contact Ms. Kandice at kandice.wynia@wrps11.ca.
