

Let's Spark Curiosity: Join Us for the Interest Fair!

Calling All Curious Minds! We're thrilled to announce the return of our popular **Interest Fair on May 24th!**

What is the Interest Fair?

Think science fair, but with a twist! This is a chance for students (optional, of course!) to showcase their passions – hobbies, talents, pets, or even future career dreams.

How can my child participate?

Students can create a display (think poster, model, etc.) highlighting their chosen interest. It's a fun, home-based activity that allows them to share their unique spark with classmates.

Important Reminders:

Animals welcome, but with a leash or kennel (**NO FEATHERS ARE ALLOWED DUE TO SEVERE STUDENT ALLERGY**). All animals must be accompanied by a parent at all times, and owners are responsible for all messes. **Livestock?**

Please notify Mrs. Fiveland beforehand.

The fair happens in the afternoon. The morning is a regular school day.

Schedule: 12:20 PM – Set-up begins

12:45 PM – Grades K-2 showcase interests for Grades 3-6

1:15 PM – Grades 3-6 showcase interests for Grades K-2

12:45 PM – 3:00 PM – Fair open for parents and family (come and go as you please!)

Pick-up your displays by 3 PM or the end of the school day.

Safety First! No guns, weaponry, or potentially dangerous items are allowed.

Students should discuss their display ideas with their teachers for approval.

Let's Celebrate Curiosity!

We encourage students to get creative and share what excites them. We can't wait to see their amazing displays and learn more about their passions!

Questions? Contact Mrs. Fiveland.

We hope you will join us in learning about one another's special interests and hobbies on May 24 from 12:45 - 3:00 PM!
